

## CM Powerstar

### Manual Trolleys

#### Manual Trolleys

The CM Powerstar Manual Trolley was designed to be utilized with the CM Powerstar where versatility and heavy-duty strength are key components.

Additional features and benefits include:

- Trolley design permits easy adjustment for installation on a broad range of beam flange widths.
- Trolley wheels have double row, tapered roller bearings plus machined and hardened universal treads to permit operation on American Standard or flat flanged sections interchangeably.
- Drop of hand chain on geared trolleys is 2 ft. above hook at lowest position, unless otherwise specified.
- Lifetime warranty
- Made in U.S.A.
